**RE: Maxum Irrigation & Plumbing Commemorative Letter from Town of Groton, CT**

To Whom it May Concern,

The Town of Groton, CT contracted with Maxum Irrigation & Plumbing in 2022 to install an irrigation system for an athletic field at the Groton Community Center. Maxum Irrigation delivered a quality product without any schedule delays or cost overruns. They were professional and responsive throughout the project and also pleasant to work with. I would recommend them to anyone in need of an irrigation contractor.

Sincerely,

Thomas Thorndike, P.E.  
Civil Engineer
